

**In Memory
Dr. Peter L. Boman**

Former trustee and friend of the Community Foundation, Dr. Peter L. Boman dreamed of creating a President's Club to recognize a lifetime of giving. Up until his death, he advocated for the President's Circle through his involvement on the Development Committee and by personally giving more than \$100,000 to the Foundation. For that we are forever grateful.

Peter exemplifies what we all strive to be—great stewards of this community, today and tomorrow. For that, we dedicate the President's Circle in his honor.

“The President's Circle honors those who have stepped forward with a strong financial commitment to help ensure a vibrant future in this region. It truly reflects the generous spirit in this community from which everyone benefits. We are grateful for your interest and your support and are honored to be the stewards of this growing charitable capital.”

*-Holly C. Sampson
President*

“It is one thing to have the ability to make a \$100,000 gift or more; it is quite another to take action and make the decision to give it to your community. Once completed, seeing the impact on peoples' lives is a gift to yourself. The President's Circle members understand this and have taken action on behalf of their community.”

*-Becky Byers Strand
Development Officer*

The President's Circle

DULUTH SUPERIOR AREA COMMUNITY FOUNDATION

Today and Tomorrow.

A lifetime of giving

The President's Circle embraces and recognizes those individuals, couples or organizations who have, over their lifetime, given a total of \$100,000 in endowed gifts.

Members are listed in our printed materials, periodically invited to special events, get updates on the Foundation from the president during semi-annual conference calls, and convene as a group every other year. Anonymity is an option if preferred.

Give simply. It's easy, and there are a number of attractive methods through which you can make a gift. You can make a gift of cash, stock, property, real estate, trust, or life insurance. Community Foundation staff will walk you through your decision and help you set up an agreement or you may work with your own financial advisor.

Give today. Your gift becomes a permanent source of community capital, providing for current and future needs and opportunities in your community. You may elect to direct your gifts to preferred charities or direct the Community Foundation to make unrestricted grants in areas of greatest need.

Benefits of The President's Circle

It's permanent. Your gift provides active support today and tomorrow.

It's personal. You choose where your contribution goes—whether into any of our existing endowment funds, our unrestricted Community Opportunity Fund, or a fund that you create to meet your own charitable interests.

It's a catalyst. Your leadership and vision may cause others to stop and think how they, too, can impact their community.

It's gracious. You will have taken steps to care for your community today and tomorrow.

It's meaningful. The joy and satisfaction that you feel from actively doing something wonderful for others will impact your life positively. And, it feels great to give.

It's immediate. You will see results as grants are made to non-profits and charitable entities from the earnings on your gift.

It's good business. Your gift is tax deductible to the extent law allows.

Become a member

We would like to include you in the President's Circle to recognize and thank you for sharing the Community Foundation's vision of building permanent charitable capital for our region.

If you are in the process of determining what organizations you would like to support, today and tomorrow, please consider making a gift to the Duluth Superior Area Community Foundation.

Our staff can provide you with vehicles and support to ensure that your gift best serves your charitable interests.

Learn more

If you would like to learn more or become a member of the President's Circle, simply return this form and we will contact you to set up a meeting that best fits your needs.
